PETITION FOR REVIEW

Pursuant to Clean Air Act section 307(b)(1), 42 U.S.C. § 7607(b)(1), The Ohio Environmental Council, Natural Resources Council of Maine, and United States Public Interest Research Group hereby petition the Court for review of the final action taken by respondents United States Environmental Protection Agency and Stephen L. Johnson, Administrator, United States Environmental Protection Agency, at 70 Fed. Reg. 28,606 *et seq.* (May 18, 2005), and entitled “Standards of Performance for New and Existing Stationary Sources: Electric Utility Steam Generating Units” (attached hereto). This action prolongs and increases the exposure of

petitioners' thousands of members to toxic pollution associated with a variety of adverse health and welfare effects.

DATED: May 18 , 2005

Respectfully submitted,

Ann Brewster Weeks
Jonathan F. Lewis
